Step 1: Figure out how much you can afford

What you can afford depends on your income, credit rating, current monthly expenses, downpayment and the interest rate. The calculators below can help, but it is best to visit a lender to find out for sure.

- ▶ [Predatory lending](#)

Step 3: Shop for a loan

Save money by doing your homework. Talk to several lenders, compare costs and interest rates, negotiate to get a better deal. Consider getting pre-approved for a loan.

Step 4: Learn about homebuying programs

- ▶ [Homebuying programs in your state](#)

FHA loan programs offer lower downpayments and are a good option for first-time homebuyers.

Step 5: Shop for a home

- ▶ [Choose a real estate agent](#)
- ▶ [Wish list](#) - what features do you want?
- ▶ [Home-shopping checklist](#) – take this list with you when comparing homes
- ▶ [Homes for sale](#) (including HUD homes)

- ▶ [Build a home](#)

If you choose a home in a neighborhood with a Home Owners Association (HOA), be sure to request a copy of the HOA packet, so you can review before closing.

Step 6: Make an offer

Discuss the process with your real estate agent. If the seller counters your offer, you may need to negotiate until you both agree to the terms of the sale.

- ▶ [Making an offer](#)

Step 7: Get a home inspection

Make your offer contingent on a home inspection. An inspection will tell you about the condition of the home, and can help you avoid buying a home that needs major repairs.
